CAREER OPPORTUNITIES - Santa Barbara, CA

Intern (Ref #2114-Q)

Toyon Research Corporation is seeking an intern who is currently in High School or working towards a B.S. degree in Electrical Engineering, Mechanical Engineering, or Computer Engineering, or a related discipline. This internship will involve creating a technical data package in Excel and using Python script to enhance the documentation process.

We are looking for students who have the following skills:

- Proficiency in Python
- Good verbal and writing skills
- Familiar with the use of Microsoft Word and Excel
- Great problem-solving skills

U.S. Citizenship Required. Ability to qualify for a US Department of Defense security clearance required.

Please e-mail resume to:
